KILTIE MARCHING BAND NEWSLETTER - SEPT-OCT 2015

A Busy Season Ahead...

Director's Notes

Greetings! We are well under way with our marching season. We have gotten off to a great start this year and the kids are doing great! MPA is just around the corner. We will be working very hard to prepare for this important event. Please make every effort to have all students present for rehearsals and performances. We try to do what we need to do in as little time as possible for our rehearsals. That makes it critical that all students are present and on time. Please keep giving them their vitamins and trying to keep them healthy! I know this is difficult right now so a few extra precautions may help.

The NYC trip plans are made and we are in the process of making the final payments for the trip. Please refer to the payment schedule that was sent out in the email from Mrs. Mocherman. The good news is that the Boosters have agreed to help cover the cost of the buses to and from the airport and for the equipment truck for the trip. This will reduce the cost of the trip to $1450. Thank-you Boosters!

We will also have some concerts coming up soon. We are planning our first concert of the year on November 19th in our auditorium. This will involve all of the Kilties. **There will be a mandatory rehearsal for this event on Tuesday, November 17th from 6-8 pm**. This will be the only rehearsal in for this event so all students must attend. Stay tuned for more info on this.

It has been a very fast start for the home football games this year but will slow down soon. The Boosters are hard at work running the concession stand, helping with field crew, and chaperoning. We appreciate all that they do to support our kids and Riverview High School. We have a huge group of parents that volunteer their time to support their kids and the band. I hope that you are enjoying the experience. The time goes quickly and before you know it your kids are grown and off to college or where ever they may go. It is great that you take time now to spend with them in the activities that they are involved in. There will always be a few bumps in the road but the overall experience can be something that will last a lifetime for you and for them. Thanks for helping us.

As always keep checking the calendar and coming to the meetings.

Sincerely.

Mark D. Spreen

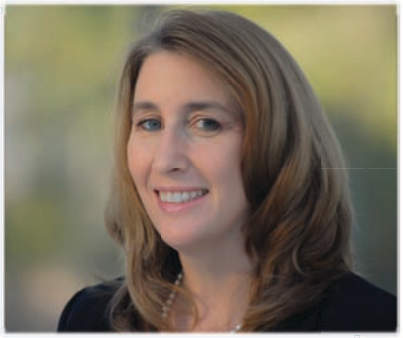
WELCOME OUR NEW BOOSTER PRESIDENT

MEET KAREN BOLINDER

FROM THE PRESIDENT



I'd like to welcome all new and returning Kilties and their families to another exciting year of music, fun and fellowship. I'm thrilled to be your new Booster President for the 2015/16 year and look forward to this new adventure. There's nothing that beats the emotion of the Kilties marching into the Ram Bowl before the games...it never gets old.

Our role as Boosters is to support the band program and assist with making a positive and memorable experience for our students. We are fortunate to have a highly dedicated staff that spends countless hours planning and leading our students in maintaining the Tradition of Excellence not only in musicianship and dance, but in lifelong qualities of leadership and mentorship.

We'll be headed to Washington DC, Philadelphia and New York City before we know it! We are finalizing details but be sure t take advantage of the fundraising opportunities available so your student can continue to earn money for their trip. Even if your student is not going on the trip this year, raise money now for future trips. Every little bit counts! Keep an eye out in your email for updates on fundraising activities.

I urge everyone to join the fun by getting involved and being an active participant in the Boosters. We have something for everyone and any and all assistance is appreciated. I promise that you will have a great time, meet some wonderful people, and make lasting friendships along the way.

Thank you all for your support and commitment to making this the best year ever. I'll see you on the field (or in the concession stands!).

All the best,

Karen Bolinder

Chaperone Report

Welcome Chaperones! Our Chaperone chairs this year are Vivian Yack and Dave and Cheryl Korwin. We are off and running in Chaperones! We have completed Volunteering Training, a few home games and our only away game for the season. Just a few reminders:

1. You need to be PALS approved before you can work any activity as a chaperone. This can be done at any school office.

2. **You must sign up and work at least 1 time in concessions.** Concessions is the largest fund raising activity for the Kilties and it requires a lot of manpower so your time there is much appreciated. Please contact Terry Good or Christine Knoch to sign up.

3. Purchase a Kiltie Volunteer Shirt. These can be purchased at the Kiltie Store through Carl Lacy. (Volunteer shirt not needed for concessions.)

Here is a list of our events in September, October and November:

Friday September 25th Home Game vs. Palm Harbor

Friday October 9th Home Game vs. Riverview HS

Friday October 16th Home Game vs. Manatee

Friday November 6th Home Game vs. Sarasota

Saturday November 7th Marching MPA Performance Manatee High School

We have a new email address, Kiltiechaperones@yahoo.com. Please feel free to contact any one of us with questions or to volunteer.

You can contact Vivian at 810-241-0947 and Vivian.Yack@Regions.com

Dave and Cheryl Korwin at 941-914-6915 and Korwin6@verizon.net

Concessions Update

WE NEED YOUR HELP!

We are in serious need of concession volunteers for the following dates:

Friday October 9th

Friday, October 16th

Friday, November 6th

Please contact Terry at terry.good1@yahoo.com or 941-302-1671 if you can help.

INTERN SPOTLIGHT

WELCOME KAREN AMBROSE

Karen Ambrose is Mr. Spreen's intern this year. She is no stranger to marching bands, having marched with the Coral Gables High School Marching Band.

She is currently pursuing a degree in Music Education at Florida Gulf Coast University. Her primary instruments are the flute and piccolo. Between the months of August and December, she will be splitting her time between Riverview and Sarasota Middle Schools as a student teacher.

Field Crew News

Roadies have been hard at work on and off the field!

What a great group of volunteers we have again this year. I want to welcome all our new families and thank the returning ones for all the time you donate to the Kilties. Time sure does fly when you are having so much fun.

We have had our first home game and our only away game already, and have gone through over 300 gallons of water so far. I cannot believe there are only four games left. Every game has been like a well-oiled machine. We have moved, iced, carried the coolers into the stands, and carried the coolers out of the stands. The Drum Major stands are placed on the field and then off the field and any additional work that needs to be done. The behind the scene work is what helps keep the show running. As I have said before "many hands make light work" so thank you Roadies for all your hard work so far, and for the work still to come. I am honored to be a part of such an incredible group because it's all about the band!

Until next Newsletter, remember, we will rock you!!!

ADVICE TO HELP YOU MAKE IT THROUGH YOUR FIRST YEAR

"What do you mean where's your Sporran? What's that?"... "How on earth do I get these stains of these white shoe cover thingies?"..."yes, I know it's not called a skirt...sorry KILT" Ahhhh, the joys of figuring out your first year as a Kiltie parent. It can be challenging but you'll never have a more proud moment then when your student is on the field, head held high, playing their hearts out, and representing one of the best high school marching bands in the state.

We asked some of the long-time parents what advice they would share with you and here are some of their tips and suggestions.

- Only scheduled volunteers are allowed in band room areas before and after games. However, we encourage you to come into the courtyard before games to watch line up. Don't miss this experience. It's breathtaking.
- We can always use help. If you haven't signed up to help PLEASE contact Vivian (chaperone), Terry (concessions) or Tim (field crew) coordinators. It's a great way to learn more about the Kilties and meet some really great people. A good time is had by all.
- The best soap to clean those hard-to-keep-clean spats is a laundry bar soap called Fels-Naptha. Oxyclean works well in combination.
- Best deal on dry cleaning for your uniform is Carlson Cleaners on Tuttle Circle. Seven pieces for $9. Note: Always Dry Clean and never wash uniforms. Always ask the price at the dry cleaners prior to cleaning to confirm they are within budget (some charge for each pleat!). Always check your buttons when you pick it up. You will be charged for missing buttons at the end of the season.
- The uniform room is open 5:15-6pm before games in case anyone needs a quick repair or is missing an item.
- Bring a small bag to place hat, flashes, hose, spats, belts and buckles in so that they don't get lost.
- Start hydrating your student the day BEFORE the game. These games can be brutally hot. Have them drink up starting 1 day before games to prepare them for the heat.
- Send the kids with a few dollars to the game – they will have a chance to buy pizza and drinks in 3rd quarter at a discount
- No one but Kilties and chaperones are permitted in the Kiltie section of the bleacher. Many parents sit in the section right next to the Kilties.
- Kilties are not permitted to bring food or drink into the stands – water is provided.
- Mark your calendars now for MPA's (11/7) – this is a must attend event for the kids and parents don't want to miss it.
- Although, not an official gathering, many of the kids go to Applebee's on Clark after the games. Parents sometimes gather at Geckos just across from Applebee's. It's a great way to get to know the other parents.
- You can buy Kiltie gear at the Kiltie store which is set up during the home games.
- There is a drum off during the 3rd quarter on some home games. This is one that parents and students look forward to. It's not to miss!

UNIFORM LOOK

The Kiltie Uniform reflects Sarasota's Scottish heritage. The MacDonald dress is a bright maroon and white with blue, green and other related colors. The Scottish Highland uniforms can take about 10 minutes to put on but the result is quite impressive. (model - Becca Stanco)

A. SPORRAN: This pouch is made of leather and horsehair. It is used as an ornament and can sometimes serve as a wallet because traditional kilts don't have pockets.

B. TARTAN: The tartan worn over the students' shoulders must be draped from the third button on the jacket to the bottom of the kilt.

C. CORDS: Cords represent a different title in the band: the thicker the cords, the higher the ranking. A triple braid represents a section leader, while a single braid symbolizes a lieutenant. All Riverview seniors wear a blue cord.

D. JACKET: A British bright-royal scarlet was chosen for the band's battle jacket, which has eight buttons.

E. BELT: The belt and breastplate are used to secure the kilt. They can be adorned with pins earned from academic achievement.

F. KILT: Students wear a traditional wool kilt.

G. FLASHES: Band members wear flashes with thick socks.

H. SPATS: Band members wear spats as an accessory over their close-toed shoes.

FUNDRAISING NEWS

Welcome Back Kilties and Parents!

Hope you are excited to start off the new school. Just want to share our last activities for our Kilties.

After freshman camp our incoming Kilties and officers shared a social get together at PDQ and TCBY. Our newbies got a chance to socialize with new friends and officers.

The Ice Cream Social was Awesome!! Every year it gets better. Our new Business Partner: TCBY donated 300 cups of ice cream for our event. Mr. Ricky Russell from TCBY had a great layout and distribution which worked smoothly. Less time in line and more to mingle. Our Kilties signed a Thank You poster board which is displayedattheTCB Ys toreat3800S .T amiamiT rail.

We will organize a Spirit Night at TCBY after marching season and the Philly trip. Stay Tuned!! - Yvonne

Andrew J. Crew Band Shell Update

We Are Half Way There!

If you are an incoming Freshman parent, or haven't read about the fundraising drive for the Andrew J. Crew Band Shell please take a moment to read this article - Click Here.

While already a very impressive venue, the installation of a band shell for the stage at the RPAC will help with improving the sound by providing better acoustics for instrumental and vocal performances. Not only will this improve performances by the RHS chorus, orchestra, and Kilties, it will also make the venue more attractive to performing groups in the community creating additional outreach and funding opportunities for the space.

We would appreciate your donations, however, just as important is to get the word out into the community to help raise the needed $165,000. **We are about half way to our goal**, having raised $68,760 so far and approximately $20,000-$25,000 in pledges.

We Need Your Help

This is a great opportunity for businesses and groups to get involved and leave a lasting mark on the future generations of Riverview students for years to come. There are seven donor levels, something for every budget.

Please consider donating or sharing the info (at the link) with your workplace, business partners, family, and friends. Every little bit help toward building a lasting legacy that will give back for years to come.

Kilties: Keeping time on drum line

By Thomas Becnel , Herald-Tribune / Thursday, August 27, 2015

SARASOTA — After an hour of marching band rehearsal, with the sun in their eyes and sweat dripping down their necks, the Riverview High School drum line starts to fade.

Logan Nolte, a 17-year-old senior, tries to keep things interesting.

"C'mon," he says, nudging his sister. "Start a wave."

PHOTO GALLERY: Kilties Drum Line

Raegan Nolte, a 14-year-old freshman, just stands there on the 40-yard-line.

"It'll look cool," Logan says. "Do it."

Finally, Raegan lifts her drum, then he lifts his, and the Noltes send a ripple down a line of the Kiltie Band.

The Highlander Drum Corps features two other pairs of senior-freshman siblings. There's Carson and Dalton Beattie, along with Chip and Jared Anthofer.

The younger drummers try to keep up in a new band at a new school. The older drummers hand out nicknames and advice on how to play and march at a competitive level.

"I told her to buck up," Logan says, "but there was no drama."

Carson Beattie, the leader of the drum section, tries to treat his brother like everyone else.

"I told him to come in, work hard and prove to everyone how good you are," he says. "At home, I'm a little harder on him."

Chip Anthofer tries to remember what it was like when he was a freshman.

"In the beginning," he told his brother, "it'll be kind of terrifying."

'Superior' tradition

In Sarasota, the Riverview marching band is kind of a big deal.

With 230 members, the Kilties are one of the largest high school bands on the Gulf Coast. With 56 consecutive years of superior ratings at district competition, the Kilties are one of
